

February 2021

Dear Engaged Couples,

Congratulations on your engagement and upcoming wedding! As volunteers with the Couple to Couple League and natural family planning instructors, we are excited to be part of your marriage preparation in the Diocese of Covington.

Natural family planning is one of the greatest wedding gifts you can give to one another. In order to offer you the best possible learning experience and successful beginning, the Covington Diocese has chosen the onsite, in-person learning format. However, because of the current Covid pandemic, the live online format will also satisfy the requirements.

To register for class, simply go to [ccli.org](http://ccli.org) and click "Find A Class." Although CCL does offer a pre-recorded self-paced course, it does not meet the requirements set forth by the diocese. Under "Learning Mode," choose the "Live Online" class and pick one that fits your schedule.

We highly encourage you to choose a course taught by one of our local Teaching Couples if possible. They are:

Brian & Sharon Drees  
Dan & Wendy Tobergte  
Bill & Jessica Purtell

Please note: Bill & Jessica's class can be found under the "Onsite" tab. Their classes are currently being offered live online, but will be switched to onsite as soon as their venue reopens.

All of our contact and course information is available online.

We look forward to working with you on this beautiful part of your journey together. May God richly bless you and your marriage.

Sincerely,  
CCL, Northern Kentucky
