**A Message to Licensees of the Department of  
Alcoholic Beverage Control**

Dear Licensee,

As we prepare to switch over to the new licensing system (BELLE), the current system will be unavailable from the evening of June 23<sup>rd</sup> until the morning of June 28<sup>th</sup>. Specific details are outlined below. This information is also posted on the ABC website.

You will find the user guide for the BELLE system on our home page under Quick Links: <https://abc.ky.gov/Documents/applicantlicenseeuserguide.pdf>

We believe you will find it to be much more user-friendly than the current system.

If you have any questions, please email me at [Kellie.Lovan@ky.gov](mailto:Kellie.Lovan@ky.gov)

Thank you for your patience as we migrate to the new system.

Kellie Lovan  
Director of Licensing  
Kentucky ABC
