

December 2023

Dear Engaged Couples,

Congratulations on your engagement and upcoming wedding! As volunteers with the Couple to Couple League and natural family planning instructors, we are excited to be part of your marriage preparation in the Diocese of Covington.

Natural family planning is one of the greatest wedding gifts you can give to one another. In order to offer you the best possible learning experience and successful beginning, the Covington Diocese recommends first and foremost the onsite, in-person learning format. However, since 2020, the live online format has also been added as a valid option to satisfy the requirements. Although CCL does offer a pre-recorded self-paced course, it does not meet the requirements set forth by the diocese.

To register for class, simply go to ccli.org and click "Find A Class." Under "Learning Mode," choose the "Onsite" and/or "Live Online" class and pick one that fits your schedule.

We highly encourage you to choose a course taught by one of our local Teaching Couples if possible. They are:

Brian & Sharon Drees
Mike & Karen Manhart
Bill & Jessica Purtell
Dan & Wendy Tobergte

All of our contact and course information is available online at www.ccli.org.

We look forward to working with you on this beautiful part of your journey together. May God richly bless you and your marriage.

Sincerely,
CCL, Northern Kentucky
