HOW IT WORKS:

Complete the Requested Services form, and make sure to include any other special instructions in the *Additional Information* box.

You will then be contacted by one of our dedicated experts on the Tire Discounters Sales Center Team.

They will confirm the details and assist you with any questions you may have.

When all your service has been completed, make sure to give your coupon codes to the store representative when checking out.

The screenshot shows the 'Requested Services' form on the TD website. At the top, there's a TD logo and a header image of a car. Below the logo, a message states: 'Please fill out the form to request an appointment. Your appointment is not scheduled until a Tire Discounters Representative contacts you to confirm. If this request is completed after our normal business hours we will contact you the next business day.' Below this is a 'CONTINUE IN:' section with two buttons: 'ENGLISH' and 'ESPAÑOL'. The main section is titled 'REQUESTED SERVICES:' and contains a list of services with checkboxes. The 'Additional Information' box is empty. Below this are dropdown menus for 'VEHICLE YEAR*', 'VEHICLE MAKE*', 'VEHICLE MODEL*', and 'VEHICLE TRIM'. There are also fields for 'SELECT PREFERRED DATE:' (with a date picker) and 'SELECT PREFERRED STORE:' (with a dropdown). At the bottom, there are two red buttons: 'PREVIOUS' and 'SUBMIT'. A progress indicator at the very bottom shows three steps, with the second step (the current one) being active.

Please fill out the form to request an appointment. Your appointment is not scheduled until a Tire Discounters Representative contacts you to confirm. If this request is completed after our normal business hours we will contact you the next business day.
