RE: 2024 Open Enrollment
Date: April 25, 2024

Enclosed you will find information related to the Diocese’s open enrollment period for all insurance plans and flexible spending accounts. The upcoming plan year begins on July 1, 2024. If there are insurance benefits for which you are eligible but not currently enrolled, this is your opportunity to elect coverage. Please be sure to **read all of the enclosed information** carefully so that you fully understand your options. This open enrollment period covers all medical, all ‘voluntary’ insurance plans (dental, life insurance, disability insurance, etc.) and flexible spending accounts.

WHAT’S NEW THIS YEAR

While you should read/review all information in this packet to ensure that you understand YOUR benefit package, please make note of the following changes for this year:

- **New Health Care Plan** – As many of you may already be aware, the Diocese has changed health care providers this year. Effective July 1, 2024, the Diocese’s health care provider will be **Christian Brothers Employee Benefit Trust (CBEBT)** administered by **Christian Brothers Services (“CBS”)**.
 - **Health Care Network** – CBS uses the Blue Cross/Blue Shield/Anthem network of health care providers. This means that the doctors/hospitals/etc. that you use today will be included in our new coverage. See the Summary of Benefits in this packet (pg. 10) for links to the Provider Network.
 - **Prescription network** – CBS contracts with Express Scripts Inc. (ESI) as its pharmacy benefit manager (PBM). All pharmacies in our area are in the network except for Kroger Pharmacies.
 - **Same plan design** – This means that our deductibles, co-pays, maximum out-of-pocket expenses remain the same as they are today:
 - In Network Deductibles – \$400 / \$800 (single / family)
 - Out-of-Pocket Maximum – \$3,000 / \$6,000 (single / family)
 - Physician Office Co-Pay – \$25 / \$25 (in-network primary care / specialist)
 - Hospital Co-Pay/Co-Insurance – 20% (in-network)
 - **Vision Coverage** – Vision coverage is provided through “EyeMed Vision Care” and is included with the medical plan at no additional cost. You will receive a separate vision card for the vision coverage.
 - **Decreased rates** – Please see the table below for the new rates.
 - **Enrollment** – All employees currently enrolled in the health care plan will automatically be enrolled in the new plan under their existing tier of coverage. You will receive new medical cards prior to July 1, 2024.
- **Flexible Spending Accounts (FSA)** – This year FSA elections will again only be accepted using an **online process**. Remember, FSA elections **must be elected every year**; your current election does not automatically continue into the next plan year. Please see the next page of this memo and pages 22-23 in this packet for more detailed instructions.

OPEN ENROLLMENT PERIOD

The Diocese's open enrollment period begins on **May 1, 2024**, and will end on **May 31, 2024**. To avoid enrollment issues, please be sure to turn in all forms within this time frame. Options for the various stages of employment are as follows:

Existing Employees – Please note that the open enrollment period is the only time that existing employees can add, drop or change insurance plan(s) unless you have a 'qualifying event' as defined by IRS regulations. This can include such events as marriage, divorce, birth/adoption of a child, etc. For more information on what constitutes a 'qualifying event', please contact the Diocesan Benefits Office at 859-392-1554.

New Employees – New employees that meet eligibility requirements may enroll in plans within 30 days of their hire date. The effective date of the coverage will be the first day of the month following the hire date. Employees who are eligible for medical coverage, but choose not to join, must sign the waiver on the back of the application form to that effect. Diocesan policy does not allow employees to be compensated for non-election of any coverage.

Employees leaving employment of the Diocese – Coverage is provided through the end of the last month worked. At that time, all insurance plans will be terminated. For medical benefits, the former employee will be notified of their Continuation of Coverage options.

REQUIRED FORMS

Flexible Spending Accounts (FSA)

The plan year for the flexible spending accounts begins on September 1, 2024 and concludes on August 31, 2025. Note that due to the school year calendar, deductions will be based on a 9-month period beginning on September 1, 2024 and ending on May 31, 2025. The Diocese of Covington FSA plan allows for a **\$640** carryover from one plan year to the next. Please note:

- All FSA elections will be done via an online process again this year. Please see pages 22-23 of this packet for the instruction document on the online enrollment process.
- Your prior year flexible spending election will **not** automatically renew or remain in effect. **You must enroll in the flexible spending accounts every year.**

Insurance Coverage(s)

Other than an FSA election, all other prior year elections for insurance coverage(s) will continue as currently elected. If you don't need to make any additions, deletions or changes to your insurance coverage(s), you do not need to submit any forms for your insurance election(s). See below for how to access all forms online. If you would like a printed copy of any form provided to you, simply contact Liz Champ in the Benefits Office of the Diocesan Curia at 859-392-1554 or LChamp@CovDio.org.

VOLUNTARY INSURANCE PLANS

Forms to enroll in the voluntary insurance plans offered by the Diocese (dental, vision, life insurance, disability insurance, etc.) and flexible spending accounts and flexible spending accounts are on page 8 of this packet. Forms can also be obtained online – see below for website information.

HEALTH CARE INSURANCE PLAN

For most employees, the single most important benefit offered by employers today is health care. The following information pertains specifically to the Diocese’s health care plan.

2024-2025 Health Benefits

For the upcoming plan year, medical coverage (including deductibles, copays and coinsurances) will continue as in previous years under our new provider, **Christian Brothers Employee Benefit Trust (CBEBT)**. A condensed “Summary of Benefits and Coverage” schedule is included in this packet on pages 9-17 as well as posted on the Diocese’s website (see below for access information). Healthcare Reform requires a more comprehensive disclosure of your Summary of Benefits. That comprehensive disclosure is posted on the Diocesan website. Also, the entire Coverage Booklet is available that contains a full explanation of coverage and helpful information about managing your healthcare. Please contact Liz Champ in the Benefits Office of the Diocesan Curia at 859-392-1554 or LChamp@CovDio.org if you would like a printed copy of any of these documents.

Deductible/Coinsurance accumulators – CBS will coordinate with Anthem to receive data on which employees have satisfied their deductible and/or reached their coinsurance/maximum out-of-pocket amounts. Should you reach one of these accumulators close to our June 30, 2024 conversion date and it is not reflected correctly on your profile with CBS, you only need to call CBS (at the number on the back of your medical card) and provide them with a copy of the appropriate EOB from Anthem. They will update your records accordingly.

Prescription Coverage and Co-pays

The prescription plan is now administered by CBS using Express Scripts Inc. as the pharmacy benefit manager. The only change from our previous plan is that Kroger Pharmacies are no longer in our prescription network. Prescription co-pays will remain at \$10/\$30/50% for tiers 1, 2, and 3 medications, respectively.

Mail Order

While it will be financially advantageous for the employee, this new plan does not require mail order to be used for maintenance prescriptions. However, the plan does include a retail refill allowance (RRA) provision that allows the first 3 fills of a maintenance prescription medication to be filled via a retail pharmacy. Upon the fourth fill, if the prescription is not converted to mail order, the retail co-pay will be the same as the mail-order copay but will only be for a 30-day supply. If the employee desires to convert to mail order, it will be through “Express Scripts Home Delivery.” However, there is a retail option for maintenance prescription medications at Walgreens. They have a program called “Smart90” that will financially look like mail order (reduced co-pay with a 90-day supply) but will be available at any Walgreens pharmacy.

Reduced Health Care Premiums

The change to CBS as our health care provider has generated significant savings in the premiums that we charge employer/employees in the Diocese. This reduction has been accomplished while keeping our provider network and plan design/coverages unchanged.

Accordingly, the rates that will be in effect for the 2024-2025 plan year are as follows:

Single (employee only)	\$ 830.00 per month (9.8% reduction)
Employee and Child(ren)	\$ 1,430.00 per month (11.7% reduction)
Employee and Spouse	\$ 1,650.00 per month (12.6% reduction)
Family Coverage	\$ 2,450.00 per month (12.8% reduction)

Employer’s Share of Premium Cost

In keeping with diocesan policy and the Affordable Care Act (ACA) regulations, the employer/employee portion of the health care premium will be split based upon the number of hours the employee works. The following chart shows the hours required to be worked to obtain health care from a parish/school/institution in the Diocese:

Hours Worked per Week	Status	Eligible for Medical Insurance
Less than 14	Part-time	NO
15 – 29	Part-time	YES (Single only)
30 or more	Full-time	YES

Please see the enclosed “Medical Insurance Premiums” schedule located on page 20 of this packet for the employee/employer premiums for the upcoming Plan Year.

Request for Group Coverage/Enrollment Form

Due to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), certain provisions contained within this plan may or may not apply while you are covered. PLEASE READ THE FOLLOWING CAREFULLY.

SPECIAL ENROLLMENT RIGHTS

If you waive (or decline) enrollment for yourself or your dependents because of other health coverage, you may later enroll within 31 days of a loss of other health coverage. Loss of health coverage includes separation, divorce, death, termination of employment, reduction in work hours, exhaustion of COBRA continuation or state continuation, or if employer contributions toward your coverage have terminated.

In addition, any change in your family status may allow you to enroll within 31 days of the event. It includes marriage, birth, adoption, or placement for adoption of a child. (See Special Enrollment Form)

With the Onset of the **Children's Health Insurance Program Reauthorization Act of 2009** two additional enrollment opportunities apply for CBEBT Trust members and their enrolled dependents if either of the following occurs:

- Termination of Medicaid or Children's Health Insurance Program (**CHIP**) due to loss of eligibility; or
- Become eligible for state premium assistance under Medicaid or **CHIP**.

Trust members and their dependents who are eligible but not enrolled for coverage under the Christian Brothers Employee Benefit Trust are allowed up to **60 days** to request coverage under the group health plan.

Please contact Liz Champ at the Diocesan Benefits Office (859-392-1554) if you have any questions regarding your enrollment in the CBEBT.

Christian Brothers Employee Benefit Trust History

The *Christian Brothers Employee Benefit Trust (CBEBT)* was established on January 1, 1977, by the Christian Brothers. It began in 1966 as a collective effort to provide a comprehensive package of Employee Benefits to the employees of the Christian Brothers schools. As the news spread of the benefits and savings received by participating in a large group, it was opened in 1977 to any Catholic institution registered in the Kenedy Catholic Directory nationwide.

The **CBEBT** has evolved into a cooperative effort of Catholic organizations continuously working together to provide a package of benefits for their employees in a cost-effective manner.

The **CBEBT** is governed by a board of Trustees who have been elected by the members of the Trust. The Trustees have contracted with *Christian Brothers Services* to act as the Plan Administrator for the Trust. *Health Benefit Services* is the division of *Christian Brothers Services* that administers all the benefits plans funded by the Trust.

Christian Brothers Services Mission Statement

The Mission of *Christian Brothers Services* is to serve the Catholic Community by helping to fulfill organizational and managerial needs through the development of quality, cost-effective, innovative programs and administrative services.

We accomplish this mission in collaboration with other Catholic organizations by combining leadership and insight with the practice of good business principles and belief in the tenets of the Catholic Church.

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-807-0400 or visit us at www.myCBS.org/health or email at hbscustomerservice@cbservices.org. Important Questions	Answers	Why This Matters:
What is the overall deductible?	Medical Only In-Network \$400 Individual / \$800 Family Medical Only Out-of-Network \$800 Individual / \$1,600 Family In-Network & Out-of-Network <u>deductibles</u> do not reduce each other.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. For <u>preventive care</u> services, the In-Network <u>deductible</u> does not apply	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services	No	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this plan?	Combined Medical & Prescription Drug In-Network \$3,000 Individual / \$6,000 Family Medical Only Out-of-Network \$6,000 Individual / \$12,000 Family In-Network & Out-of-Network <u>out-of-pocket limits</u> do not reduce each other.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in <u>out-of-pocket limit</u>	<u>Premiums</u> , <u>balance-billed</u> charges, <u>deductible</u> , <u>copayment</u> , or <u>coinsurance</u> amounts paid on a covered persons behalf by a foundational or manufacturer sponsored patient assistance program, penalty for prescription retail refill allowances, penalty for mandatory generics, penalty for non-notification of hospital admission and other	Even though you pay these expenses, they don't count toward the out-of-pocket limit. Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits .

Will you pay less if you use a <u>network provider</u> ?	Yes. Your <u>network</u> is BlueCross BlueShield. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

SaveonSP

SaveonSP for Specialty Medications

In today's health care market, increases in prescription expenses continue to significantly outpace other increases. Part of the reason for the higher costs is the use of specialty medications that provide unique treatments with remarkable results.

However, the cost of these drugs can be excessive, with monthly copays ranging from \$750 to more than \$7,500 depending on the medication. Also, specialty medications are not one of the 10 Essential Health Benefits under the Affordable Care Act (ACA) and are therefore considered non-essential health benefits and don't count toward a member's Out-of-Pocket limits.

A new program for Christian Brothers Employee Benefit Trust (EBT) members allows them to get over 200 specialty medications at no cost. SaveonSP is a program that works with CBEBT's current pharmacy program through Express Scripts. Members will continue to receive their specialty medications through Accredo, Express Scripts' specialty mail-order provider.

Who is Eligible for Enrollment?

A member is eligible to enroll in the SaveonSP program if they currently take certain specialty pharmacy medications that are considered non-essential health benefit specialty medications under the Plan, or if they begin taking one of these medications at a later date.

The SaveonSP Program includes 80+ non-essential health benefit medications covering conditions such as hepatitis C (Hep C), multiple sclerosis (MS), psoriasis, inflammatory bowel disease (IBD), rheumatoid arthritis (RA), cancer, and others.

Enrollment in the program is voluntary; however, if a member chooses not to enroll in SaveonSP, they will pay the prescription drug copay for medications as shown on the Plan's Specialty Drug List and the copay will not count toward their deductible or Out-of-Pocket maximum.

How to Enroll

To enroll, a member can call SaveonSP at **1.800.683.1074** and a customer service representative will answer their questions and enroll them in the program. Representatives are available Monday through Thursday from 8 a.m. to 8 p.m. ET and Friday from 8 a.m. to 6 p.m. ET. The call will take approximately 10 minutes.

If an EBT member is already enrolled in a drug copay assistance program from a drug manufacturer in connection with a medication on the non-essential health benefit specialty drug list, the member must let the customer service representative know this when calling to enroll. The representative will ask for a manufacture assistance program-issued ID. Certain manufacturers require annual enrollment. The member will only be contacted once a year to ensure they are properly enrolled in this program.

The SaveonSP program provides considerable savings to EBT members who take specialty medications, all at no additional cost.

The Chard Snyder Flexible Spending Account

What is a Flexible Spending Account?

A Flexible Spending Account (FSA) can help you save money for healthcare and/or dependent care items and services for yourself and your family. FSA funds are deducted from your paycheck before taxes, so the money deposited into the account is **tax free** which **saves you money**.

You may save **up to 40%** on your healthcare or dependent care costs.

What are the Different Types of FSAs?

A **health FSA** can be used for eligible medical expenses such as copays, coinsurance, deductibles, dental, vision, prescriptions, medical supplies, and procedures. Even over-the-counter medications and menstrual care products are eligible expenses.

A **limited-purpose FSA** is designated for eligible dental and vision expenses only. The limited FSA allows those with a Health Savings Account (HSA) to use HSA funds for medical expenses and use the limited FSA funds for eligible expenses such as orthodontia or glasses.

A **dependent care FSA** can be used for expenses incurred to care for your children age 12 and younger, as well as your adult tax dependents, who require care while you are at work.

What are FSA Eligible Expenses?

The IRS determines what expenses are FSA eligible. Eligible expenses are reimbursed if they are incurred by you, your spouse, or your tax dependents during the plan year. The charts below show examples of eligible expenses:

Health FSA

Deductibles	Medical Services	Dental Treatment	Acne Medicine
Hospital Services	Vaccines	Chiropractor	Menstrual Care
Prescriptions	Contact Lenses	Sunscreen	OTC Medications
Copays	Orthodontia	Thermometers	Baby Monitors
First Aid Kits	Physical Exams	Physical Therapy	Coinsurance

Limited-Purpose FSA

Dental Visits	Eye Exams	Orthodontia
Dental Surgeries	Eyeglasses	Teeth Cleanings
Fluoride Treatment	Contacts	Dental/Vision Copays

Dependent Care FSA

In-Home Babysitter	Summer Day Camp	Outside Babysitter
Daycare Centers	Elder Custodial Care	After-School Activities
Nursery School	Elder Daycare	Latchkey Program

Chard Snyder helps you get the most out of your FSA benefit.

Am I Eligible for an FSA?

To maximize savings, you can enroll in a dependent care FSA with either a health FSA or a limited-purpose FSA. You are not eligible to be enrolled in both a health FSA and a limited-purpose FSA. If you are contributing to a Health Savings Account (HSA), you are not eligible for a health FSA but can enroll in a dependent care FSA and/or a limited-purpose FSA.

How Do I Access My FSA Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to use your FSA funds to pay for eligible items and services. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the FSA plan.

The Chard Snyder Benefits Card eliminates the need to pay out-of-pocket, submit a claim, or wait for reimbursement. Simply swipe the card at your healthcare provider's office, pharmacy, store, or use online, and the funds are automatically deducted from your health or limited-purpose FSA. Plan restrictions may apply to your dependent care amount, and some providers may not accept the benefits card.

You can also file a claim on the Chard Snyder Mobile App or your online account.

Chard Snyder Website

www.chard-snyder.com

Once you've enrolled, access your Chard Snyder FSA online account from the website home page by clicking on the blue *Login* tab at the top right of the page.

The Chard Snyder Benefits Card

- Convenient way to pay for eligible expenses directly from your FSA
- Works like a debit card
- Connect with your mobile wallet for contactless payments
- Save your receipts

You may use your card until the expiration date shown on the front. You will receive new cards just before your current card expires.

Why Do I Need to Save My Receipts?

The IRS requires Chard Snyder to confirm that you used FSA funds for an eligible service or purchase. You may be asked for copies of itemized receipts, statements, or Explanation of Benefits (EOB) from doctors' and dentists' offices, hospitals, and stores that do not automatically verify eligible expenses.

Just take a picture of the itemized receipt with your smart phone and submit it using the Chard Snyder Mobile App or your online account. It's that easy!

Once you provide the requested information for a transaction that is not immediately recognized as eligible, the transaction in question is normally verified quickly. *(If you do not provide the requested documentation in a timely manner, your card may be turned off.)*

Flexible Spending Account Carryover

What is a Flexible Spending Account Carryover?

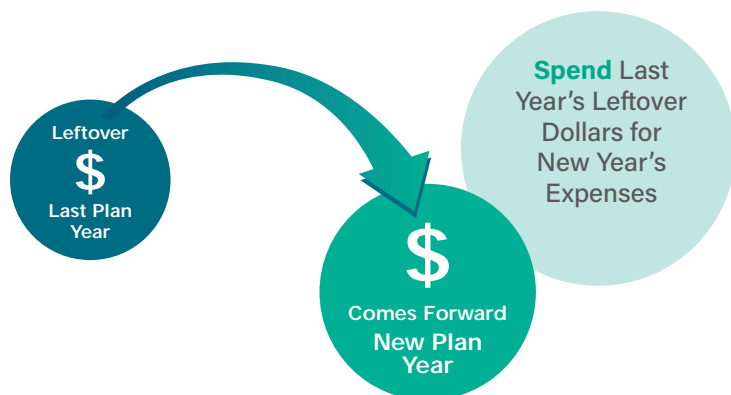

The carryover feature that comes with your Flexible Spending Account (FSA) allows you to **carry over up to \$640** of unused funds into the following plan year. The FSA is generally a “use-it-or-lose-it” account, but the carryover helps you save up to \$640 in unspent funds.

The FSA carryover is only offered with a **health or limited-purpose FSA**. If you have a dependent care FSA, the carryover is not an option.

How Does the FSA Carryover Work?

At the end of the FSA plan year, you are able to carry over up to \$640 of unused funds into the new plan year. **For example**, if you elected to contribute \$2,700 to your FSA during open enrollment but only spent \$2,400, you could carry over the remaining \$300 to use in the next plan year. Keep in mind, if you only spent \$2,000, you can also carry over \$640 but you would lose the additional \$60.

Plans vary, so be sure to check your **FSA plan guidelines** to confirm the amount your FSA allows to carry over.

What are the IRS Rules?

The IRS requires proof each claim is for an eligible expense. You may be asked to send a copy of your itemized receipt, itemized statement, or Explanation of Benefits (EOB) showing:

- Date of service (not the date of payment)
- Patient name
- Merchant or provider name
- Service provided or item purchased
- Amount of the expense

Only eligible expenses can be reimbursed. For a full list of FSA-eligible expenses, log into your Chard Snyder online account and view the Healthcare Eligible Expenses Table under *Quick Links* on the *Tools & Support* tab.

You must spend and claim your FSA money within your company's plan deadlines. Once you claim an expense you may not claim it again on your annual taxes.

Age 65-74	33%	Age 18-44	6.5%	Newborn	.3%

WHAT CAUSES HEARING LOSS

- Excessive noise exposure is the leading cause of hearing loss in the United States in adults
- Ototoxic drugs can cause hearing loss, tinnitus or balance disorders. There are over 200 known medications including: NSAIDS, antibiotics, diuretics, some cardiac medicine, and more.
- Aging is also a cause of hearing loss. Over time, our ears change and the tiny hair cells that help us hear become damaged and cannot re-grow.
- Various illnesses and diseases can be associated with hearing loss. Some include Meningitis, Heart Disease, Diabetes, Ménière's disease and Alzheimer's, among others.
- Other factors can lead to a higher risk of hearing loss as well, such as obesity, birth defects, head injuries, family history, smoking, and more

HOW CAN I PREVENT HEARING LOSS

- Wear hearing protection and limit the time you're exposed to noise
- Turn down the volume - keep music and TV volume at 50% or less
- Maintain a healthy lifestyle to avoid conditions such as high blood pressure and diabetes which contribute to hearing loss
- Avoid ototoxic medications - talk to your healthcare professional when drugs are prescribed

WHEN SHOULD I GET MY HEARING CHECKED

Hearing loss can come on gradually. You may not even notice it's happening. As a rule of thumb, if your hearing test reports your hearing is OK, stick to once every three to five years. You should test your hearing annually if you are 55 or older or are experiencing any of the following:

- Consistent exposure to loud noises
- Difficulty understanding in noisy environments or in groups
- Hearing mumbling or feeling as though people are not speaking clearly
- Ringing in your ears

Term Life and Accidental Death & Dismemberment (AD&D) Insurance

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Why is this coverage so valuable?

If you previously purchased coverage, you can increase it up to \$150,000 to meet your growing needs — with no medical underwriting.

What else is included?

A 'Living' Benefit — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 75% of your life insurance benefit (up to \$500,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable. **These benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable.** Recipients should consult their tax attorney or advisor before utilizing living benefit payments.

Waiver of premium — Your cost may be waived if you are totally disabled for a period of time.

Portability — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.

Who can get Term Life coverage?

If you are actively at work at least 25 hours per week, you may apply for coverage for:

You:	Choose from \$10,000 to \$500,000 in \$10,000 increments, up to 5 times your earnings. If you previously purchased coverage, you can increase it up to \$150,000 with no medical underwriting. If you previously declined coverage, you may have to answer some health questions.
Your spouse:	Get up to \$250,000 of coverage in \$5,000 increments. Spouse coverage cannot exceed 100% of the coverage amount you purchase for yourself. If you previously purchased coverage for your spouse, they can increase their coverage up to \$30,000 with no medical underwriting, if eligible (see delayed effective date). If you previously declined spouse coverage, some health questions may be required.
Your children:	Get up to \$10,000 of coverage in \$2,000 increments if eligible (see delayed effective date). One policy covers all of your children until their 19th birthday – or until their 26th birthday if they are full-time students. The maximum benefit for children live birth to 6 months is \$1,000.

Who can get Accidental Death & Dismemberment (AD&D) coverage?

You:	Get up to \$500,000 of AD&D coverage for yourself in \$10,000 increments to a maximum of 5 times your earnings.

No medical underwriting is required for AD&D coverage.

Exclusions and limitations

Actively at work

Eligible employees must be actively at work to apply for coverage. Being actively at work means on the day the employee applies for coverage, the individual must be working at one of his/her company's business locations; or the individual must be working at a location where he/she is required to represent the company. If applying for coverage on a day that is not a scheduled workday, the employee will be considered actively at work as of his/her last scheduled workday. Employees are not considered actively at work if they are on a leave of absence or lay off.

An unmarried handicapped dependent child who becomes handicapped prior to the child's attainment age of 26 may be eligible for benefits. Please see your plan administrator for details on eligibility.

Employees must be U.S. citizens or legally authorized to work in the U.S. to receive coverage. Employees must be actively employed in the United States with the Employer to receive coverage. Employees must be insured under the plan for spouses and dependents to be eligible for coverage.

Exclusions and limitations

Life insurance benefits will not be paid for deaths caused by suicide occurring within 24 months after the effective date of coverage. The same applies for increased or additional benefits.

AD&D specific exclusions and limitations:

Accidental death and dismemberment benefits will not be paid for losses caused by, contributed to by, or resulting from:

- Disease of the body; diagnostic, medical or surgical treatment or mental disorder as set forth in the latest edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM)
- Suicide, self-destruction while sane, intentionally self-inflicted injury while sane or self-inflicted injury while insane
- War, declared or undeclared, or any act of war
- Active participation in a riot
- Committing or attempting to commit a crime under state or federal law
- The voluntary use of any prescription or non-prescription drug, poison, fume or other chemical substance unless used according to the prescription or direction of your or your dependent's doctor. This exclusion does not apply to you or your dependent if the chemical substance is ethanol.
- Intoxication – 'Being intoxicated' means your or your dependent's blood alcohol level equals or exceeds the legal limit for operating a motor vehicle in the state or jurisdiction where the accident occurred.

Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Delayed Effective Date: if your spouse or child has a serious injury, sickness, or disorder, or is confined, their coverage may not take effect. Payment of premium does not guarantee coverage. Please refer to your policy contract or see your plan administrator for an explanation of the delayed effective date provision that applies to your plan.

Age Reduction

Coverage amounts for Life and AD&D Insurance for you will reduce to 67% of the original amount when you reach age 70, and will reduce to 45% of the original amount when you reach age 75. Coverage may not be increased after a reduction.

Termination of coverage

Your coverage and your dependents' coverage under the policy ends on the earliest of:

- The date the policy or plan is cancelled
- The date you no longer are in an eligible group
- The date your eligible group is no longer covered
- The last day of the period for which you made any required contributions
- The last day you are actively employed (unless coverage is continued due to a covered layoff, leave of absence, injury or sickness), as described in the certificate of coverage

In addition, coverage for any one dependent will end on the earliest of:

- The date your coverage under a plan ends
- The date your dependent ceases to be an eligible dependent
- For a spouse, the date of a divorce or annulment
- For dependents, the date of your death

Long Term Disability Insurance

How does it work?

This coverage provides a monthly benefit if you have a covered illness or injury and you can't work for a few months — or even longer.

You're generally considered disabled if you're unable to do important parts of your job — and your income suffers as a result.

Why is this coverage so valuable?

You can use the money however you choose. It can help you pay for your rent or mortgage, groceries, out-of-pocket medical expenses and more.

Long Term Disability Insurance can replace part of your income if a disability keeps you out of work for a long period of time

What else is included?

Survivor Benefit

If you die while you've been disabled and receiving benefits for at least 180 days, your family could get a benefit equal to 3 months of your gross disability payment.

Waiver of premium

If you're disabled and receiving benefit payments, Unum waives your cost until you return to work.

Work-life balance Employee Assistance Program

Get access to professional help for a range of personal and work-related issues, including counselor referrals, financial planning and legal support.

Worldwide emergency travel assistance

One phone call gets you and your family immediate help anywhere in the world, as long as you're traveling 100 or more miles from home. However, a spouse traveling on business for his or her employer is not covered.

Additional benefits:

Conversion

When your employment ends you may apply for LTD coverage under a group trust contract without evidence of insurability.

Exclusions and limitations

Active employee

You are considered in active employment, if on the day you apply for coverage, you are being paid regularly by your employer for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation.

Delayed effective date of coverage

Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Benefit duration (BD)

The duration of your benefit payments is based on your age when your disability occurs. Your Long Term Disability benefits are payable while you continue to meet the definition of disability. Please refer to your plan document for the duration of benefits under this policy.

Definition of disability

You are considered disabled when Unum determines that you are under the regular care of a physician, and:

- You are limited from performing the duties required of your regular occupation due to sickness or injury and are not working; or
- You are working and you have a 20% or more loss in monthly earnings due to sickness or injury.

After benefits have been paid for 36 months, your plan's definition of disability changes. At that time you are considered disabled when Unum determines that, due to the same sickness or injury, you cannot perform the duties of any occupation that you are qualified to do based on your education, training or experience. You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability. "Substantial and material acts" means the important tasks, functions and operations that are generally required by employers from those engaged in your usual occupation and that cannot be reasonably omitted or modified.

Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location or in a specific region.

Pre-existing conditions

You have a pre-existing condition if:

- You received medical treatment, consultation, care or services including diagnostic measures for the condition, or took prescribed drugs or medicines for it in the 3 months just prior to your effective date of coverage; and
- The disability begins in the first 12 months after your effective date of coverage.

Continuity of Coverage

If the employee was not insured under the plan continuity of coverage will not apply. If the employee was insured under the prior plan but is not in active employment on the Unum plan effective date (due to illness or injury), the person will be covered under the Unum plan, but payment will be limited to what would have been paid under the prior plan. Unum will reduce the payment by the prior carrier's liability. If the employee was insured under the prior plan and is in active employment on the Unum plan effective date, the person must satisfy the pre-ex provision under the Unum plan or the prior carrier's plan. If satisfied under the Unum plan, payment will be made according to the Unum plan. If satisfied under the prior plan (but not the Unum plan), payment will be administered under the Unum plan, but the payment will be the lesser of the Unum monthly benefit or the prior plan's monthly benefit.

Deductible sources of income

Your disability benefit may be reduced by deductible sources of income and any earnings you have while you are disabled, including such items as group disability benefits or other amounts you receive or are entitled to receive:

- Workers' compensation or similar occupational benefit laws, including a temporary disability benefit under a workers' compensation law
- State compulsory benefit laws
- Automobile liability insurance policy
- No fault motor vehicle plan
- Third-party settlements
- Other group insurance plans
- A group plan sponsored by your employer
- Governmental retirement system
- Salary continuation or sick leave plans, if applicable
- Retirement payments
- Social Security or similar governmental programs

Exclusions and limitations

Benefits will not be paid for disabilities caused by, contributed to by, or resulting from:

- Intentionally self-inflicted injuries;
- Active participation in a riot;
- War, declared or undeclared or any act of war;
- Commission of a crime for which you have been convicted;
- Loss of professional license, occupational license or certification; or

- Pre-existing conditions (See the disclosure section to learn more).

The loss of a professional or occupational license does not, in itself, constitute disability. Unum will not pay a benefit for any period of disability during which you are incarcerated.

Termination of coverage

Your coverage under the policy ends on the earliest of the following:

- The date the policy or plan is cancelled
- The date you no longer are in an eligible group
- The date your eligible group is no longer covered
- The last day of the period for which you made any required contributions
- The last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim that occurs while you are covered under the policy or plan. Unum's LTD contracts standardly include a provision called the Social Security Claimant Advocacy Program. With this feature, claimants can receive expert advice and assistance from us regarding their Social Security Disability claim during the application and appeal process. Social Security advocacy services are provided by GENEX Services, LLC or Brown & Brown Absence Services Group. Referral to one of our advocacy partners is determined by Unum.

Worldwide emergency travel assistance services are provided by Assist America, Inc. Work-life balance employee assistance program services are provided by HealthAdvocate. Services are available with select Unum insurance offerings. Terms and availability of service are subject to change and prior notification requirements. Service providers do not provide legal advice; please consult your attorney for guidance. Services are not valid after coverage terminates. Please contact your Unum representative for details.

This information is not intended to be a complete description of the insurance coverage available. The policy or its provisions may vary or be unavailable in some states. The policy has exclusions and limitations which may affect any benefits payable. - HFA** **TransElite HFA – Universal Life Insurance:** HFA policies have flexible premiums and an accumulation value to provide the greatest death benefit amount per premium dollar and are ideal for those who want a higher death benefit, but are not interested in a high cash value accumulation. The premium is expected to provide coverage to the later of age 80 or 10 years, with no cash value expected at the coverage period's end. HFA policies have a minimum guaranteed interest rate and a maximum guaranteed cost of insurance. The premium is expected to sustain the policy to the later of age 80, or 10 years - however, skipped or reduced premium payments, changes in the non-guaranteed interest rate or charges, or acquiring a policy loan, a partial surrender, or a face amount increase could require additional payments. Coverage may be extended to age 100 and could require additional payments.
- TI** **Accelerated Death Benefit for Terminal Condition Rider (Form CRLTI100):** Lets the insured "tap into" life insurance in the event of a future terminal condition diagnosis and still provides a benefit for the beneficiary.
- WML** **Waiver of Monthly Deductions Due to Layoff or Strike Rider (Form CRLWL100):** Protects life insurance from lapsing for up to six months if the insured (employee only) is involuntarily laid off.
- LBR** **Accelerated Death Benefit for Chronic Condition Rider (Rider Form Series CRLLT300):** The Living Benefit Rider accelerates a portion of the coverage amount if a covered person is diagnosed with a covered chronic illness or condition. See Rider for details.

Summary of Benefits

Accelerated Death Benefit for Terminal Condition Rider (Rider Form Series CRLT100) - Accelerates a portion of the life insurance death benefit if the insured person is first diagnosed with a terminal condition which, in the best medical judgment, will result in death within 12 months.

When exercised, an administrative fee of \$100 plus 12 months advanced interest will be deducted from the benefit payment. The death benefit and other contract values will be reduced accordingly and this rider will terminate.

Accelerated Death Benefit for Living Benefit Rider (Rider Form Series CRLLT300) - Accelerates a portion of the life insurance death benefit if the insured person is diagnosed with a covered chronic illness and in the best medical judgment is unable to perform daily activities for a period of at least 90 days without human assistance that is expected to be permanent; or has a severe cognitive impairment that is expected to be permanent and requires supervision to protect the insured's health or safety.

Waiver of Monthly Deductions for Layoff or Strike Rider (Rider Form Series CRLWL100) - Waives the monthly deductions for up to six months per year if the employee is involuntarily laid off. Benefits are limited to three layoffs per year and are based on the employee's layoff only. Layoff of an insured spouse or child does not qualify for this waiver. Premium payments must have begun prior to the insured employee's layoff. Rider is available through age 55 and terminates on the employee's 60th birthday or when the insurance is assigned to another party, whichever is earlier.

Child Term Insurance Rider (Rider Form Series CRLCH100) - Allows an insured employee or spouse (but not both) to insure all eligible children, age 15 days and no older than age 25, for the selected amount of term insurance. Insurance on each child terminates on that child's 26th birthday or when the parent's insurance ends, whichever is earlier. Upon the termination the child has 31 days in which to convert to an individual contract for up to 5 times the amount of insurance under this rider or \$50,000. All children in the family will be insured for the same insurance amount.

Limitations and Exclusions

If an insured employee withdraws the cash value, tax consequences and/or surrender charges may apply.

Fluctuations in interest rates or policy charges may require the payment of additional premiums.

Individuals currently on disability or on premium waiver are not eligible for insurance.

During the first two years, the death benefit for suicide is limited to the return of premiums paid, less any loans, partial surrender amounts, and accelerated benefits paid, if any.

We will not pay rider benefits for care that is received or loss incurred as a result of:

Accelerated Death Benefit for Terminal Condition Rider

We will not pay for any conditions diagnosed prior to the effective date of the rider.

Waiver of Monthly Deductions for Layoff or Strike Rider

We will waive deductions for:

- up to three layoffs or strikes in one 12-month period;
- for up to six months in any one 12-month period.

A 12-month period will be measured from the date the first month deduction is waived.

If the portability option provision of the contract is exercised, if any, the policy owner will need to provide proof of being employed (other than self-employment) for the 6 months prior to the layoff or strike.

This rider is not available for self-employed individuals.

The rider will terminate on the earliest of:

- the date the contract terminates;
- the date the contract lapses, subject to the grace period;
- the date the policy owner requests termination;
- the date the policy owner dies;
- the anniversary date on or after the insured reaches age 60;
- the date the policy owners assigns the contract to another individual; or
- the date a nonforfeiture option, if any, becomes effective.

Child Term Insurance Rider

This rider is only available during the initial enrollment. This rider will terminate on the earliest of:

- the date the contract terminates, subject to the Conversion Options of this rider;
- the date the contract lapses, subject to the grace period;
- the date the policy owner requests termination;
- the anniversary date on or after the insured child is no longer eligible as a dependent child;
- the anniversary date on or after the last insured child has reached age 26; or
- the date a nonforfeiture option, if any, becomes effective.

Termination of Insurance

Insurance, including all riders, ends on the earliest of the following dates:

- the monthly contract date following the receipt of written request to terminate.
- the maturity date.
- the date the insured dies.
- the date the contract lapses or becomes fully paid-up life insurance, subject to the grace period.
- the date a nonforfeiture option becomes effective.

Portability Option

If an employee loses eligibility for this insurance for any reason other than nonpayment of premiums, insurance can be continued by paying the premiums directly to us within 31 days after termination. We will bill the employee directly once we receive notification to continue insurance.

Termination of the Group Master Policy

The policyholder may end the policy on any premium due date by submitting a 60-day advance written notice. A group will not be continued if it drops below the minimum required participation. The group master policy will be terminated and the insurance of all remaining insureds will end, subject to the Portability Option.

RE: 403(b) Retirement Plan

Date: April 10, 2024

Section 403(b) of the Internal Revenue Code allows employees of not-for-profit organizations that are exempt from federal tax under §503(c)(3) to set aside savings for retirement on a voluntary basis. The employee may voluntarily enter into an agreement whereby a specified amount is withheld from each paycheck and placed in a retirement program. The money is withheld on a pre-tax basis; i.e. before federal and state income taxes. Under current law, taxes are deferred on the amounts withheld, interest earned and investment earnings that may accumulate in the account until such time those funds are withdrawn or paid as benefits. The money withheld is, however, subject to social security and local taxation (where applicable) when paid to the employee.

The Diocese of Covington works with the following insurance and investment company to provide 403(b) deduction services for employees paid through the Diocesan payroll system. Contact information for employees wishing to participate in a 403(b) plan are as follows:
