

Empowering Education: Catholic Perspective on Kentucky's Constitutional Update

Join us in supporting a transformative update to Kentucky's Constitution that champions the values we hold dear as Catholics—putting our children's education first, empowering parents, and supporting our dedicated teachers.

A Vision for Our Children's Future

As Catholics, we believe in nurturing the potential of every child. This constitutional update will create a landscape where every student in Kentucky has access to diverse and high-quality educational opportunities. By putting students first, we can ensure that each child, regardless of their background, receives an education that prepares them for a bright and hopeful future.

Empowering Parents and Families

Our faith teaches us the importance of the family as the cornerstone of society. This update empowers parents, giving them more choices to guide their children's education in line with their values and aspirations. It is an opportunity to uphold the rights of parents to make decisions that reflect their family's faith and values, ensuring that their children receive an education that aligns with their moral and spiritual development.

Supporting Our Teachers

Catholic teaching emphasizes the dignity of work and the importance of fair compensation. This constitutional change aims to increase teacher pay, recognizing the invaluable role that educators play in shaping the future of our children. By providing our teachers with the support and respect they deserve, we are investing in the future of education in Kentucky.

Protecting Public Education

This initiative will safeguard the funding and structure of Kentucky's public schools, ensuring that they remain robust and capable of serving all students. It reflects our commitment to the common good and our belief in the importance of accessible and equitable education for all children in our community.

Join us in this pivotal moment to support an educational system that reflects our Catholic values and strengthens the foundation of our community. Together, we can create a brighter, more inclusive future for all of Kentucky's children.

Support the Constitutional Update for a Better Tomorrow

By advocating for this change, we honor our Catholic principles of justice, stewardship, and care for the common good. Let's come together to support a Kentucky where every child has the opportunity to thrive, every parent has a voice in their child's education, and every teacher is valued and respected.
