

Growing up in a Porn Culture: How Social Media, Gaming and Pornography Harms Our Youth

Presented by

Dr. Mandy Sanchez

Director of Programming at Culture Reframed

Sponsored by the

Diocese of Covington Offices of Safe Environment and Catholic Schools

Wednesday, Nov. 6, 2024

Since 2000, the internet has become the main vehicle for porn, and hardcore porn is just a click away — it is free, violent, and based on the degradation and abuse of women and children. The proliferation of the smartphone, together with the growth of teen-targeted social media sites, has opened up yet more avenues for teens to access hardcore porn. This presentation

will explore the most popular social media platforms accessed by young people today, linking the social media, and porn industries and the harmful effects of their exposure on young people.

A must-see presentation for anyone who cares about children and the vulnerable in our world today.
