

THE TEACHER SOCIETY

Honoring Gifts of \$1,000 and above

The Christ the Teacher Society was established to promote and acknowledge annual leadership support by individuals to the Alliance for Catholic Urban Education (ACUE) of the Diocese of Covington. Members of the Christ the Teacher Society help fulfill our mission to preserve the 191-year legacy of Catholic education in the urban areas.

Leadership gifts to ACUE become gifts of quality Catholic education for vulnerable children who stand to gain the most from the small classes, personal attention and Christ-centered, values-based instruction offered at our urban elementary schools. For many, it is the means to break the cycle of poverty from which their family has suffered for generations.

Benefits of Membership

The greatest benefit of your annual leadership support is the knowledge that you have touched the lives of children who depend on their neighborhood Catholic elementary school as an alternative to the much larger urban public school. Your gift to ACUE keeps this important ministry alive for today's students while strengthening the foundation for future generations.

Additional Benefits

- Name recognition in the lobby of the Cathedral Basilica of the Assumption;
- Name recognition in ACUE's annual Messenger appreciation listing;
- An invitation to the Bishop's annual ACUE major donor recognition event sponsored by members of the ACUE Development Advisory Board and friends of the ministry.

Tuition assistance for economically disadvantaged students is the primary focus of our fundraising efforts.

In addition, ACUE students and staff remember the ACUE family of donors daily in prayer and weekly at all-school liturgies.
