

# Local School Wellness Policy – Public Summary

This summary provides the results of the most recent assessment of the Local School Wellness Policy implementation. The assessment helps ensure our schools are meeting federal requirements and promoting a healthy environment for students.

Area	Implementation Status
Nutrition Education	Fully Implemented
Nutrition Promotion	Partially Implemented
Physical Activity	Fully Implemented
School Meals	Fully Implemented
Smart Snacks	Partially Implemented
Wellness Committee	Fully Implemented
Public Involvement	Partially Implemented

This assessment summary is available to the public on the Diocese website and upon request at participating schools. Community input is welcomed and encouraged for future policy updates.
