School Lunch Program

7/6/2026

Dear Parents and Guardians,

As we begin the 2026-2027 school year, we would like to remind you of the optional online payment system available for your convenience. My School Bucks allows you to easily monitor your child's lunch account and make online payments. Credit card payments are accepted for a convenience fee of \$3.50 per transaction, and ACH (electronic bank transfer) payments are available for a fee of \$2.75 per transaction.

Key Points to be aware of:

1. Participation in the My School Bucks Program is completely voluntary. You can choose to sign up for free to keep track of your child's lunch account and set up low balance notifications.
2. You are **not** required to make deposits through My School Bucks. If you prefer, you can send checks or cash in an envelope with your child's name on it to the attention of the school cafeteria manager. The money will be deposited into your child's account free of charge.
3. **New for 2026-2027!** Parents and guardians can now transfer funds between their students' lunch accounts at no fee. If you prefer, you may also contact me via email at LHatfield@covdio.org and I will be happy to make the transfer for you.

We hope this system will provide a convenient option for managing your child's lunch account.

Sincerely,

Laura Hatfield
